

A Message to Pilots

The Pilot of an aircraft has the responsibility of keeping their passengers safe before, during and after a flight. On many occasions you will likely be transporting your most valuable cargo ... Your kids!

This colouring / activity book is designed to keep kids aware of important safety issues while being around airplanes as well as know what to do if something ever went wrong.

The information contained on these pages is designed for kids to have fun and learn. They also act as a reminder to the pilot in command of the importance of Search and Rescue (SAR) awareness and what to do should you find yourself in need of help from the Royal Canadian Air Force and CASARA.

We hope you enjoy this activity book together!
